FAQ

Q: What is account verification?

Account verification identifies who you are as a KYC (Know your customer) policy. It's important for the AlertPay network that members identify themselves by submitting documentation to protect our members against fraud. At any time, AlertPay can ask you to become verified.

Q: What type of verification documents can I provide to AlertPay?

Q: How do I submit my verification documents?

Q: How long does it take to process my verification documents?

Q: What do the statuses mean for my verification documents?

Q: Is verification necessary to add, withdraw, or transfer funds?
